About Me

A passionate working individual seeking future endeavours into the world of television and radio. Currently studying TV and Radio at the University of Salford to pursue my ambitions of working within this creative industry. Working with BBC's Ones, The Big Questions production team and participating with Stand In work for BBC One has given me a great depth of development skills which can be transferable to forthcoming opportunities.

Work Experience In Industry

LOGGER True North Productions: MTV Teen Mom UK, Young and Pregnant: January – February 2019
Using Forscene and logging/transcribing episodes for the production. Editing call sheets, release forms and monitoring social media for cast.

RUNNER Mentorn Media: BBC One's The Big Question: January 2019

This involved working in the production office with release forms for guest speakers, engaging with audience members and setting up the studio for live broadcast.

STAND IN BBC One: All Together Now: - November 2018

This involved going through block rehearsals with studio, communicating with floor managers and producers.

ONLINE CASTING for BBC Three: Students on the Edge: July- August 2018.

I had to promote and research for contributors to be involved in the show. Using traditional typing skills to communicate with potential cliental.

STREET CASTING for BBC Three: Eating with my Ex - May 2018.

Approaching the public to apply to a show. Talking to potential contributors, handing out flyers.

VIDEOGRAPHER COUNSELLOR Camp America: June - August 2018.

Taught children in a summer camp how to draw storyboards, use cameras and how to film and edit their films.

PHOTE META DATA for Projects Abroad Website: May – June 2018

Involved online meta data skills, transferring data from pictures for Projects Abroad new website.

EVENTS AMBASSADOR for American Summers: October 2017 – Present. This involves event promotion, social and communication skills.

PRESENTER on Shock Radio, student music station: December 2017 – Present.

Developing ideas for a show, script writing, dealing with deadlines, studio skills.

HEAD OF EVENTS for Utter Radio, speech-based student station: September 2018 - Present

Creating and managing events, using leadership skills and independent self-study to promote and explore speech radio for universities.

Other Work Experience

Social Media/Admin: Social media savvy, good typing skills, verbal and written communication, time management.
